 Peter/Tracy,

Hopefully you didn't quit or jump out a window after seeing the subject line of this email. This is a list of primarily mandate relief initiatives that we want to do in one omnibus bill. Let me know if you need more direction on any of these items listed.

Also, could you update me on the progress of our "misuse of school district technology" (looking at porn at school) draft? I know there were some questions in the past and just want to make sure you have what you need.

Thanks,

Christopher Kulow

- ✓ 3) Ensuring Transportation Aid to School Districts is Used for Transportation ✓
- a. Problem: State aid for school districts for transportation costs make up a very small portion of overall transportation costs for districts. DPI currently disburses prorated funding in a single round of disbursement, allowing remaining funds to be used elsewhere. ? What remaining funds

 - "The amounts in the schedule..." ? b. Proposed Solution: Amend 121.58 (6) to include a prorated distribution of the remaining balance, so that all funds appropriated for transportation costs are there spent.

* only prorated if appropriation is insufficient; if insufficient, there will be no "remaining balance"

Not clear about asking.

→ There are "at points" related to distance pupils are transported. Sometimes there's \$ in 20.255(2)(c) that doesn't get distributed.
 Cool: Don't lose \$. Require DPI to distribute any balance to the school districts that made an eligible claim.
